

## PORT WASHINGTON-SAUKVILLE ROTARY CLUB SUMMER CAMP SCHOLARSHIP

# ENJOY SUMMER CAMPS!

The Port Washington/Saukville Rotary Club is proud to present this summer scholarship opportunity to students who have completed Kindergarten – 11th grade, residing in the Port Washington/Saukville Communities. This summer scholarship opportunity was created to foster continued growth and learning for our youth during the summer months while school is not in session.

Students are asked to complete the application on their own with little or no assistance, if applicable, from an adult. In addition, please share with us, in your own words, what camp you would like to attend, why you would like to attend this particular camp and why you feel you should be selected.

Applications are available online at:  
[www.portwashingtonsaukville.org](http://www.portwashingtonsaukville.org)

Students may attend any camp of their choosing. It doesn't necessarily need to be academic. This experience could range anywhere from athletics to the arts depending on each student's interest. It is entirely up to you! However, we do require that the camp fosters some type of growth experience for the recipient.

The Scholarship will be granted in the amount of \$100.00. 20 Scholarships will be granted.

Applications should be completed to the best of each applicant's ability, and mailed to:  
Ruth Lansing
